REMARKS

25X1X

On 15 February 1953, the completed airfield at Buchholz was inspected by a team including Major Gerichev (fnu), chief of the Soviet construction bureau in Schwerin. The field was not yet in operation as of 2 July 1953.

25X1A Comment. The airfield, located about 10 km south of Schwerin, was completed in 1952 with grass covering the entire area of 500 x 2,800 meters. According to available information, the field is not yet occupied. It is believed that the installation is to be used as an alternate airfield.
